

ATTACHMENT 1 - DUTY / RESTRICTION MAPPING

Administration Officer (AO3), Switchboard Services, Logan Hospital | Employee: Cory Lea Shepherd | MSH-INJ-5795

Duties below are the key responsibilities as listed in the AO3 role description. Restrictions are those certified in the Employee Capability Checklist dated 3 July 2026 (Dr Day Hong Ma).

Provided to assist the Health Service in identifying the duty or duties said to be affected, so that its request for further medical information can be framed.

Key responsibility (AO3 role description)	Affected? (Yes / No)	Restriction said to affect it	Question for Dr Ma / what in the ECC is insufficient
Attending courteously to all telephone enquiries and clients' requests; maintaining call queues to a minimum			
Collating information and maintaining the Omnivista database and SharePoint			
Supporting the allocation, coordination and fault repair of pager units; maintaining databases and registers			
Participating in the emergency response process - receiving notifications and distributing them to the appropriate response groups per emergency code procedures			
Communicating at all levels; establishing and fostering networks to maintain accurate and current records			
Maintaining discretion and exercising judgement to resolve problems within the scope of the role			
Interacting in a sensitive, timely and appropriate manner with the public and service providers; maintaining confidentiality			
Multitasking and operating under pressure, particularly where high volume call traffic is concerned			
Contributing to a cohesive team environment			
Working effectively with limited supervision to meet deadlines and establish priorities; working in a multi-disciplinary team			
Ensuring patients and other staff are treated fairly and with mutual respect			
Following defined service quality standards and occupational health and safety policies and procedures			

If no responsibility is marked 'Yes', please confirm that the Health Service does not identify any duty of the position that I am unable to perform within the certified restrictions.
