

RUNWAY ACTION SHEET — THIS WEEK

FOR CORY — THIS WEEK. The #1 risk control. One hour of calls/forms. 1. CENTRELINK — JobSeeker claim (no income since 13 Jul; employment dispute ≠ automatic disqualification — declare truthfully; ask about backdating to first eligibility). 2. BANK/LENDER — financial hardship request (standard form): freeze/reduce repayments pending an income-interruption dispute. Costs nothing; preserves credit. 3. UTILITIES/PHONE — hardship programs (same call, each provider). 4. ZAPPIA (one email): (a) confirm insured cover status if employment ever ended (policy terms); (b) benefit-cessation confirmation from 1 Jun 2026 + the overpayment/acceptance record — the two exhibits that close the QSuper premise. 5. PETERING FORWARD (one email): the four sent items of 3 Aug + one question — "is there an appeal period running on the 13 July decision (e.g. a fair-treatment appeal), and if so when does it expire?" + "have you seen this ECC→RFMI→role-decision pipeline used on other members at LBH/MSH?" 6. DIARISE: 10 Aug (Stage 2 line + Matheson child-letter + RTI/IP lodgements) · 17 Aug · 24 Aug · rebooking backstop day-7.
