2024	WorkCover and review	No damages claim lies against WorkCover or the Regulator for the decision; the appeal is the remedy. Acceptance pays weekly compensation for certified incapacity (substantially 18 Jun 2024 - 24 Feb 2025, including the period after the dismissal) and medical costs	CIVIL-QUANTUM file Part 0	Working view		
2024	MSH responses	MSH's employer responses of 15 Aug and 6 Sep 2024, relied on at review, are MSH's own statements: credit material in a civil case where they differ from what has been admitted	Sheet C1	Working view		

2024	Dismissal	Show cause 26 Sep 2024; dismissal confirmed 9 Oct 2024 while certificates were current (latest 6 Oct); reinstated through TD/2024/110 (effective 20 Sep 2024), returned 24 Feb 2025. Deed cl 8 releases claims arising from the Dismissal but excludes any common law personal injury claim and the statutory workers' compensation claim. Deed cl 2(c)(i): wages paid for 20 Sep - 13 Dec 2024, so check any overlap with weekly compensation for that period	Signed deed; sheets C0-C2	Verified (deed); lawyer to confirm effect
2024	Johns letter	MSH's own letter of 9 Oct 2024: 'While MSH has received correspondence from the Office of Industrial Relations regarding your application to review the decision made by WorkCover Queensland … this does not remove your obligation to continue to communicate'; and 'Noting that between June 2024 and 19 September 2024 you were awaiting the outcome of a WorkCover claim, I am nominating your separation date as 20 September 2024.' This proves knowledge and timing, not coordination	documents/2024-10-09_MSH_Confirmation_Abandonment_Johns_K-CF24-3270.pdf p 2	Verified at source
2024	Review decision	'Review decision of 22 October 2024' (day 25 of 25 business days from receipt on 16 Sep 2024, s 545(1)); reasons dated 24 Oct 2024, cc MSH and WorkCover	documents/Review_Decision_69983_24.10.2024.pdf p 1	Verified at source
2024	Show cause and certificates	Show cause dates the decline 19 Sep (WorkCover decided 13 Sep). Three certificates of 'no functional capacity for any type of work' ran from 1 Jul to 6 Oct 2024. The confirmation of abandonment is dated 8 Oct, the first business day after the last certificate ended (7 Oct was a public holiday), and nominates separation from 20 Sep, inside the certified period. Chronology only	Show cause p 1; Form 12 pp 21-24; Johns letter	Verified at source
2024	Steenberg 11 Oct	10:06: WorkCover had no correspondence after 13 Sep except QComp's file request (cuts against the coordination theory). 15:30: the 'employer has received a copy of the certificate' email post-dates the decision and gives no dates, so it does not prove MSH's knowledge on 8 Oct. Next evidence: the WorkCover claim file	Form 12 p 29; DEED-DISMISSAL deep-dive s 3.2	Verified; caution
DEED	Confidential, cl 12	Lawyer only; never in WC/2024/227 filings. cl 1: reinstated effective 20 Sep 2024, 'despite any documents'. cl 2: leave credits, personal leave reinstated, wages 20 Sep - 13 Dec 2024. cl 4: 13 Dec 2024 - 23 Feb 2025 leave without pay. cl 6/7: MSH reserves dealing with absenteeism and communication, and Cory reserves his rights over any future management action under cl 6. cl 8: release limited to claims arising from the Dismissal; personal injury and workers' compensation excluded. cl 10: Cory, no adverse comment on the Deed or the recited matters. cl 11: MSH, best endeavours	documents/2025-02_Deed_EXECUTED_Cory14Feb_Cridland21Feb2025.pdf	Verified at source
DEED	What it means	The civil personal injury claim and the appeal are not released (cl 8). The 2026 exclusion does not arise from the Dismissal, so it is not released. Cl 10 is a concrete reason to keep the 'coordination' theory off paper: it is adverse comment on recited matters. Cl 7 preserves rights over MSH's later attendance and absence management	Analysis	Working view; lawyer to confirm
CIVIL	Gate	Damages only for a worker who has received a notice of assessment for the injury (WCRA s 237(1)(a)(i)); s 237(5) abolishes any other entitlement. The appeal must be won first	ATT26 p 255	Verified at source
CIVIL	Election	If the notice of assessment states DPI below 20% and offers a lump sum, not both lump sum and damages (s 239(2)); accepting the lump sum ends the right to damages (s 237(3)). Never sign or accept without a personal injury lawyer	ATT26 pp 255-257	Verified at source
CIVIL	Deduction	Damages are reduced by the total compensation paid or payable (s 270(1))	ATT26 p 265	Verified at source
CIVIL	Limitation	Working date 18 Mar 2027 (this timeline); 18 Jun 2027 is three years from injury; WCRA s 302 and Schedule 5 alternatives	Cover; CIVIL-QUANTUM file	Lawyer to confirm
CIVIL	Liability strengths	Admitted 7-hour break 17-18 Mar 2024; fatigue guideline existed but fatigue training applied to clinical staff only and switchboard fatigue assessment began only after 30 Jun 2024 (MSH statements); fatigue payment refused 1 May 2024; emergency-call misrouting reported May 2024; Reese 10 May 2024: 'a few rostering errors made by Chloe'	Notice paras 17-25, 39-113, 211-271	Verified (admitted by the Regulator; MSH documents)
CIVIL	Battleground	Foreseeability (Koehler v Cerebos [2005] HCA 15; answer: Kozarov v Victoria [2022] HCA 12). Causation (Oct 2022 anxiety history; Feb 2025 report's mix of causes; March-June 2024 gap). Keep the claim on system failure, not on complaint handling (Hayes v Queensland [2016] QCA 191)	Not read to pinpoint	Lawyer to confirm
CIVIL	What carries	The admissions bind the Regulator in WC/2024/227 only; MSH is not bound and a consent concession makes no findings. The same MSH documents prove the facts again: the notice to admit and Annexure A are a ready liability brief	Working view	Working view
CIVIL	Value (planning only)	About $300-500k total recovery, inclusive of statutory benefits (repo, 22 Sep 2026); more with a strong long-term psychiatric prognosis; over $1M only with career loss (Robinson v Queensland [2017] QSC 165). General damages scale not verified	CIVIL-QUANTUM file	Planning only

CIVIL	2026 heads (separate)	Wages (additive, not deducted); Anti-Discrimination Act impairment complaint (one year from the conduct, continuing); IR Act adverse action (six years; 21 days from any dismissal); the PID track stays separate from the appeal	CIVIL-QUANTUM file; ADVERSE-ACTION-LIMITATION file	Lawyer to confirm
CIVIL	Directive 15/24	'Special leave to claim Workers' Compensation' credited as service for 'Any period' (LSL, rec, sick, increments); same row in 01/19. If 21 Jun - 20 Sep 2024 (92 days) is credited, LSL eligibility moves to about 29 Jun 2026 (before 13 Jul). The 73 days from 13 Dec 2024 to 23 Feb 2025 were agreed as leave without pay in deed cl 4, so do not count on them. Raise only after the decision	Directive 15/24 p 2; 01/19	Verified at source
