

OUTLINE OF EVIDENCE – MS CAROLYN JEFFREY

Served pursuant to direction 2 of the Further Directions Order (3) dated 19 August 2026. Not filed in the Industrial Registry.

Ms Jeffrey is employed by Metro South Hospital and Health Service as [position] at Logan Hospital Switchboard. She has worked in that department since [month/year] and worked alongside the Appellant throughout the period [month/year] to [month/year].

1. Before Ms Chloe Taylor and Ms Ellen Stibbard came into the Switchboard department, operators could access and update the database used by the Switchboard directly; a Communication Book was kept in the operators' room in which staff recorded changes to contact and paging numbers and matters for handover; and operators made changes to medical contact numbers as those changes arose.
2. After Ms Taylor and Ms Stibbard came into the department, four changes were made to the way the Switchboard operated: the switchboard process was changed; operators' access to the database was restricted; the Communication Book was removed from the operators' room; and responsibility for updating contact and paging numbers was taken from operators.
3. Ms Jeffrey was a recipient of the email sent by Ms Stibbard to the Switchboard team on 18 July 2023, in which Ms Stibbard stated that while she was fixing the database she would be "removing everyone's access to the database", that anyone wanting an entry amended was to contact her directly, and that a request made after hours would "have to wait until either Chloe or myself are back".
4. After access to the database was restricted, operators could not correct an inaccurate entry themselves and had to wait for Ms Stibbard or Ms Taylor. [Ms Jeffrey to describe the practical effect she observed on the accuracy of contact and paging numbers.]
5. Ms Jeffrey saw the entry that was removed from the Communication Book on or about 6 June 2023. [She will say what the entry said, and that it was written by the Appellant — to be confirmed with the witness before service.]
6. [Ms Jeffrey to describe what she saw and heard at the time the entry was removed and immediately afterwards, including anything said by Ms Taylor and by the Appellant.]
7. From about [month/year] Ms Jeffrey observed changes in the Appellant at work. [Observations only — for example attendance, participation in handover, appearance, engagement with colleagues. No opinion as to diagnosis or cause.]
8. In the period in which Ms Jeffrey worked alongside the Appellant she did not at any time hear him say anything hostile about Ms Taylor or about any other member of staff.
9. Ms Jeffrey provided a written statement to WorkCover Queensland on or about 18 July 2024 and a further statement on or about 1 August 2024, each of which is listed in the Respondent's amended List of Documents dated 14 August 2026.

This outline is a summary of the evidence the witness is expected to give. It is not a statement of the witness and is not signed by the witness.
