

OUTLINE OF EVIDENCE – MS CAROLYN JEFFREY

Served pursuant to direction 2 of the Further Directions Order (3) dated 19 August 2026. Not filed in the Industrial Registry.

Ms Jeffrey is an Administration Officer in Switchboard Services at Logan Hospital and has worked in that department alongside the Appellant. She is expected to give evidence of the following.

1. How the Switchboard operated before Ms Chloe Taylor and Ms Ellen Stibbard came into the department: that operators could access and update the database used by the Switchboard directly; that a Communication Book was kept in the operators' room in which staff recorded changes to contact and paging numbers and matters for handover; and that operators made changes to medical contact numbers as those changes arose.
2. The changes made after Ms Taylor and Ms Stibbard came into the department: the change to the switchboard process, the restriction of operators' access to the database, the removal of the Communication Book from the operators' room, and the transfer away from operators of responsibility for updating contact and paging numbers.
3. That she was a recipient of the email sent by Ms Stibbard to the Switchboard team on 18 July 2023, in which Ms Stibbard stated that while she was fixing the database she would be "removing everyone's access to the database", that anyone wanting an entry amended was to contact her directly, and that a request made after hours would "have to wait until either Chloe or myself are back".
4. What she observed of the practical effect on the accuracy of contact and paging numbers once operators could no longer correct an inaccurate entry themselves and had to wait for Ms Stibbard or Ms Taylor.
5. The removal of an entry from the Communication Book on or about 6 June 2023: what she saw and heard at the time and immediately afterwards, and what was said.
6. Any change she observed in the Appellant at work over the period, from her own observation. She offers no opinion as to diagnosis or cause.
7. That she did not at any time hear the Appellant say anything hostile about Ms Taylor or about any other member of staff.
8. The written statement she provided to WorkCover Queensland on or about 18 July 2024 and the further statement of on or about 1 August 2024, each listed in the Respondent's amended List of Documents dated 14 August 2026.

This outline is a summary of the evidence the witness is expected to give. It is not a statement of the witness and is not signed by the witness.
