Good afternoon

As you may be aware, Cory Shepherd has an income protection claim with QSuper/ART. Cory's claim number is CLM-317073.

Thank you for providing copies of Cory's payslips as requested.

As per the initial Part B (attached), Cory initially stopped working on 3 June 2024.

It has recently come to our attention that Cory has returned to work. After review of payslips provided (attached), it appears Cory may have commenced his return to work from April 2025. Please note, we were unaware of Cory's return to work.

We would like to gain an understanding of Cory's capacity for work. We kindly request you respond to the following:

1. Please confirm Cory's substantive weekly hours
2. Has Cory returned to full hours and duties? If so, from what date.
3. If Cory has been working reduced hours and/or suitable duties, please provide all approved Return to Work Plans dating back to April 2025
4. Please provide the most recent Return to Work Plan (if applicable)

Thank you for your assistance.

Should you have any questions then please do not hesitate to contact me.

Kind Regards

James Zappia
