Hi Cory

I am writing in response to your Stage 1 Dispute dated 3 August 2026, in which you disagree with the decision that has prevented you from attending your rostered shifts since 3 July 2026. Your dispute has been lodged in accordance with clause 1.11.2(a) of the *Queensland Public Health Sector Certified Agreement (No. 12) 2025 (EB12)*.

I wish to acknowledge that clause 1.11.2(a) of EB12 requires that Stage 1 discussions should be conducted within 24 hours. This letter confirms that your dispute has been received and is currently under review. While every effort has been made to progress this matter promptly, the 24-hour timeframe specified in the clause will not be achieved. Upon completion of the review, you will be contacted as soon as practicable to discuss the outcome of your dispute and any appropriate next steps. You will also be provided with an opportunity to raise any questions and discuss the matter further as required.

Please be advised that I am required to process leave on your behalf for the period 20 July 2026 to 2 August 2026. As at today's date, you have a remaining recreation leave balance of **41.21 hours**. Could you please advise whether you would like this recreation leave balance applied to this period? If so, the remaining hours within the fortnight would be recorded as sick leave without pay. I

acknowledge that your dispute includes concerns regarding your leave entitlements. However, pending resolution of the dispute, it is necessary that your absence continues to be managed through the appropriate leave arrangements.

As the payroll cut-off for PP04 is today, I would appreciate your response as soon as possible. If I do not receive a response before payroll processing occurs, I will apply your remaining recreation leave balance to ensure you receive the available paid leave entitlement for this period.

Dear Chloe,

I attach a notice of dispute under clause 1.11.2(a) of the certified agreement. It is addressed to you as my immediate supervisor because the clause requires that.

I would prefer this resolved at Stage 1 and I am available to discuss it at any time, including today. I have asked that a support person and my union representative be present.

I have raised at part 5 a question about who should conduct the Stage 1 discussion. I make no allegation against anyone and will attend whichever way the Health Service prefers.

Kind regards,

Cory Shepherd
