

PAYMENT AND LEAVE — WHAT IS TO BE ACTIONED, BY PAY PERIOD

Cory Shepherd (388372), AO3, Switchboard Services, Logan Hospital · 3 September 2026 · for Ms Taylor and Payroll

1. THE PAY PERIODS

3 Jul – 30 Aug	“Sick Leave – No Pay” INCORRECTLY APPLIED since 3 Jul 2026. I confirmed in writing at 3:18 pm on 3 Jul that the leave was to be annual leave, not sick leave without pay (msg 4), and asked for the coding to be corrected on 10 Jul, 13 Jul, 28 Jul, 5 Aug, 31 Aug and 3 Sep. Not a request made after the fact	76	To be corrected from 3 Jul 2026 in the leave audit — and the correction applied before eligibility is recalculated	—

2. THREE THINGS TO ACTION TODAY

- Enter long service leave from Thursday 4 September 2026 at 76 hours per fortnight, continuing, so that it is in the fortnight ending 13 September (paid 23 September). Cease the daily “Sick Leave – No Pay” entries from that date.
- Confirm in writing what will be paid on 9 September under process 24926366: gross amount, hours, and the leave types debited — and whether it was processed at 76 hours or at 0.5 FTE.
- Payroll: action ad hoc payment enquiry 4471091, or provide the reason in writing.

The “Sick Leave – No Pay” coding is wrong from 3 July 2026 and has been contested from the day it was applied. It is not a request raised after the fact: the objection was made in writing at 3:18 pm on 3 July, before any question of long service leave eligibility arose, and on each occasion since.

All leave applied for is applied for under protest and subject to re-credit, on the basis set out in my application of 31 August (msg 32, paragraph 4), which continues to apply. I remain certified fit with restrictions and ready and available to work.

3. THE MESSAGES THIS REFERS TO

The application, the replies and the corrections of 31 August – 3 September, reproduced as sent. Standard email boilerplate omitted; nothing else altered.

Subject: Cory Shepherd (388372) — application for long service leave and annual leave, and request for AVAC to be processed today

Dear Chloe,

I am writing to apply for leave and to ask that the AVAC be processed today. I have copied Jacqui Roberts.

1. MY POSITION

I have not been working since 3 July 2026. I have received no wages since 13 July 2026.

On 3 July 2026 Dr Ma completed the Employee Capability Checklist on Metro South's own form. It certifies me fit with restrictions and records that usual switchboard operational duties remain suitable. I have remained ready and available to work within those restrictions throughout, and I remain so now.

My pay advice of 12 August 2026, for the fortnight 20 July to 2 August 2026, records me as on "NP Sick Leave" for 76 hours with gross pay of \$0.00. I did not apply for sick leave and I am not unfit for work.

2. WHAT I APPLY FOR

In the interim, and so that my entitlements can be processed, I apply as follows:

Long service leave, on full pay, from 13 July 2026 being the date from which I have received no wages through to the current date and continuing; and

when my long service leave entitlement is exhausted, annual leave, to commence immediately from that point and to continue until further notice.

To the extent that any absence over that period has already been recorded as unpaid sick leave, I ask that the coding be corrected and replaced with the leave applied for above.

I confirm I am not applying for personal leave, as I am not unfit for work.

3. THE AVAC

I ask that the AVAC be submitted and processed

today, and that I be given the reference number once it has been done, together with confirmation of the pay run in which the payment will be made.

I ask this because of the financial position set out below, and because the cut-off for the next available pay run is imminent.

4. THIS APPLICATION IS MADE UNDER PROTEST, AND SUBJECT TO RE-CREDIT

This application is made under protest and without prejudice to my position, and on the following express basis:

I remain ready, willing and able to work within the restrictions recorded in the Employee Capability Checklist of 3 July 2026, and I have been since 3 July 2026;

I apply for this leave only because I have received no wages since 13 July 2026 and no payment has been made to me in the interim;

my concerns regarding pay, the leave debited since 3 July 2026, and the adjustments recorded in the Employee Capability Checklist of 3 July 2026 remain unresolved and in dispute, and nothing in this application resolves, waives or narrows any of them; and

I ask that the leave taken under this application be re-credited to me in the event that wages are paid, or found payable, for any part of the same period, or in the event that the recording of my absence over that period is later corrected or determined otherwise.

I make this application on the understanding that it does not prevent that outcome, and I reserve my position in full.

5. FINANCIAL HARDSHIP

I want to be plain about why I am asking for this to be done today rather than in the ordinary course.

I have had no income since 13 July 2026. As a consequence I have had to give up my accommodation. I am not raising this to make a point; I am raising it because it is the reason for the urgency, and because I would rather tell you than have it become apparent later.

If there is any mechanism available for an urgent or off-cycle payment in cases of financial hardship, I would be grateful if you could tell me and I will apply for it.

6. IF ANY PART OF THIS CANNOT BE ACTIONED

If any part of this application cannot be actioned

today, could you please let me know today which part, and why, and when it will be actioned. A short note is entirely sufficient.

Thank you for your assistance.

Good afternoon Cory,

Thank you for your email. I have applied your S/L and A/L in lieu of S/L for your absence from the workplace through an AVAC as requested, for the past fortnight 17th August 2026 – 30th August 2026. As you are on reduced roster 0.5 FTE, I have applied the leave as per reduced shifts - PRN 249 863 66

About your long service leave from the 13th July 2026 - the system is currently not allowing me to apply LSL, so I have made enquiries with Payroll to understand why this may be and I will get back you as soon as I have an update.

Kind regards,
Chloe

long service leave and annual leave, and request for
AVAC to be processed today

Dear Chloe,

Thank you for actioning this today and for the
reference number — I appreciate the quick
turnaround.

Four short points so the record is accurate.

1. Leave type. To confirm my application: I did not
apply for sick leave — I am not unfit for work, and
the Employee Capability Checklist of 3 July 2026
certifies me fit with restrictions. My application
was for long service leave and, on its exhaustion,
annual leave. Could you please confirm exactly
which leave types and how many hours were
applied for 17–30 August 2026 under PRN 249 863
66. If any personal or sick leave has been debited,
could it please be re-credited and replaced in
accordance with my application.

2. Hours. Could the leave please be applied at my
substantive hours of 76 per fortnight rather than at
0.5 FTE. The reduced-hours arrangements this year
were temporary changes to working conditions: the
most recent, approved on 9 June 2026, had an
effective period of 25 May 2026 to 28 June 2026
and was not extended.

No variation has been in force since 28 June 2026,
and my pay advice of 12 August 2026 itself records
my absence at 76.00 hours for the fortnight. If a
different arrangement has been recorded for any
period after 28 June 2026, could you please let me
know what it is and the document it is based on.

3. The period from 13 July. My application was from
13 July 2026, being the date from which I have
received no wages. I understand the long service
leave question is with Payroll — thank you for
raising it promptly. Once it is resolved, could the
leave please be applied back to 13 July 2026 as an

adjustment, and the "NP Sick Leave" recorded for
the earlier fortnights corrected at the same time.

4. Long service leave — what may assist Payroll.
My employment commenced on 25 March 2019,
and my reinstatement in February 2025 took effect
from 20 September 2024 with continuity of service
preserved. I therefore reached seven years'
continuous service on 25 March 2026 and am
entitled to take long service leave under clause
22(c) of the Award. If the system is showing a later
continuous service date, it may not have been
corrected following my reinstatement — that would
explain the error, and Payroll can verify it against

my record. I have separately written to Payroll today about my service record and leave balances. Could you also confirm that the payment for 17–30 August will be processed urgently?

For completeness, everything actioned today, and any adjustments, remain on the basis set out at paragraph 4 of my email this morning — under protest and subject to re-credit.

Thanks again, Chloe.

Follow up

Dear Chloe,

I am asking for an ad hoc payment to be processed today.

The leave has already been applied and the AVAC processed under PRN 249 863 66, so the entitlement exists, I am asking only that it be paid now rather than held to the next pay run. I have received no wages since 13 July 2026. That is fifty-one days and three pay runs, and I have already had to give up my accommodation.

I should also mention that I am currently unable to log into MyHR. I cannot submit a leave application, check my balances, or see what has been applied to my record, so I am dependent on you and on Payroll for both the payment and for confirmation of what has been processed. If my access can be restored, I would be grateful and, in the meantime, could the information simply be provided to me by email.

If you cannot raise an ad hoc payment yourself, could you please tell me today who can, and I will

make the request to them directly.

Hi Cory,

Thanks for your email.

PRN 249 863 66 has been processed for the fortnight
ending 30th August 2026 and will be paid in the normal
pay cycle on Wednesday 9th September 2026. I have
applied S/L and A/L in lieu of S/L for this pay cycle.

Regarding your Long Service Leave from 13 July 2026,
the system is currently not allowing me to apply the
leave requested. I have made enquiries with Payroll and
am currently awaiting their advice. I will provide an
update once I receive further information.

Please see below your current leave balances as of 2nd

September 2026 – Please note that leave balances
shown below are prior to AVAC being processed and
may therefore change once pay cycle is complete.

If you are having trouble with access, you can call IT
Support 1800 198 175 and reset your log in details.

Chloe

Afternoon Cory,

I am so sorry – I gave you the incorrect number – I entered an 8 when it should have been a 2! The correct Process number should be 24926366 rather than 2498366, I have snipped a copy of the process below.

In relation to Long Service Leave, please see below. You are most welcome to follow this up with payroll however it is still pending investigation.

Hi Chloe,

You aren't able to put in LSL leave as Cory's LSL eligibility date is only from 04/09/2026. I can see a log has been created for a leave audit, a CSO is currently working on it however still in progress.

Hi Cory,

Please see the below email from Payroll.

I understand this may be frustrating, particularly in relation to your Long Service Leave. I have requested further information from Payroll regarding why your eligibility date is showing as 04/09/2026, as I appreciate you would like some clarity around this.

Unfortunately, Long Service Leave cannot be backdated & paid prior to the date you become eligible.

I have also confirmed with Payroll this morning on the phone regarding the ADHOC payment for the 17/08/2026–30/08/2026 pay cycle. Unfortunately, this cannot be processed prior to Wednesday 9th September 2026.

I appreciate this may not be the outcome you were hoping for, and I will continue to follow up where I can, to ensure everything is clarified and processed as soon as possible.

Kind regards,
Chloe
