Dear Ms Matheson,

Thank you for your email of today's date.

Yes. The extension to Friday, 25 September 2026 is agreed, and no conditions attach to it.

Two matters, for the record only and requiring no action from you now.

1. The date for the Respondent's material under direction 2 remains Wednesday, 30 September 2026. I have not sought to move it and I understand you are not asking to.

2. My letter of 9 September 2026 asked, at paragraph 5, that you let me know by Friday, 11 September 2026 if the Respondent objects to my delivering the Form 24 and Form 25 notices as served, the Respondent's responses, your letter of 8 September 2026 and Annexure A to the Industrial Registry.

I will not deliver those documents this week. Nothing turns on the Commission holding them at this stage, and it seems to me more sensible to leave the position as it stands while you consider the request. I will raise it again only if it becomes necessary, and I will tell you before I do.

I hope the hearing next week goes smoothly.

Yours faithfully,
Cory Lea Shepherd

Subject: RE: SUBJECT: WC/2024/227 - Shepherd v Workers'
Compensation Regulator - directions 1 and 2

Dear Mr Shepherd,

I refer to your letter dated 9 September 2026, asking the
Regulator to produce documentation by Friday 18
September 2026.

I am in another hearing next week in relation to another
matter which will greatly limit my ability to complete other
actions, could I please kindly request an extension until
Friday 25 September 2026 to enable me time to review this
request and if needed reach out to MSH in relation to the
requested documents?

Thank you for your consideration of this request.

Kind regards,

Renee Matheson

Dear Ms Matheson,

I refer to the Further Directions Order (3) dated 19 August 2026, and to the Regulator's responses and letter of 8 September 2026.

Direction 1

The Appellant's list of names of all witnesses has today been filed in the Industrial Registry and is served with this email.

Direction 2 (served and not filed)

1. An outline of the evidence to be given by each lay witness (one A4 page per witness) for:

- myself,
- Mr Cory Harrison-Jones, and
- Ms Patricia Conaghan,

provided in a single document behind a contents page.

2. The Appellant's schedule of the medical documents relied upon, which:

- states for each document what it is relied upon for and what it is not relied upon for; and
- includes the pages of those documents under nine tabs (M1 to M9), in one document

of 43 pages with the schedule at page 1.

I also attach two letters of today's date:

1. A letter responding to the Regulator's letter of 8 September 2026, setting out the basis on which the Appellant relies on the facts admitted.

2. A letter concerning the five facts not admitted and the fourteen tabs of Annexure A whose authenticity is disputed. It asks the Regulator, for each document listed in its schedule, either to:

- produce or confirm the copy held by it or by Metro South Health; or
- admit the authenticity of the copy served.

A reply is sought by Friday, 18 September 2026.

Yours faithfully,

Cory Lea Shepherd
