Subject: WC/2024/227 - Shepherd - notice to admit facts and documents

Dear Ms Matheson,

I attach a notice to admit facts and documents under rule 49 of the *Industrial Relations (Tribunals) Rules 2011*.

Schedule A sets out facts. Schedule B sets out documents, and asks that their authenticity be admitted. The documents are those already exchanged between the parties or listed in the Respondent's amended List of Documents dated 14 August 2026.

Copies of the following are enclosed, as they may not be in the Respondent's possession: the letter of Ms L Forrest dated 7 July 2026; the QH Leave Takings Report for 19 March 2024; the "Logan Hospital Switchboard Sick Leave Process" version 1.1 dated 4 February 2025; and the Stressor 1(a) particulars bundle served on 11 August 2026. I am content to provide a copy of any other document listed.

Kind regards,

Cory Lea Shepherd

Appellant (self-represented), WC/2024/227

NOTHING FURTHER. No argument, no explanation of why the notice is being served, no reference to the Further Directions Order, the withdrawn application, the report or settlement. A notice to admit speaks for itself and any covering commentary only gives something to respond to. The offer to provide copies is included because it removes the "does not have a copy" answer in advance.
