Hi Cory,

Just letting you know that I am still I am waiting payroll confirmation about a few of these payroll issues and as soon as I do get that confirmation, I will submit an AVAC for next pay run. I will let you know PRN once it has been submitted.

Thanks Chloe

Chloe Taylor

Subject: Corey Shepherd 388372 Pay issues

Hi Chloe,

Corey has wages top up on fortnight 05.02.24 for 0.95mins as he is under his contracted hours so it is toping up the missing wages from his RDO balance.

This will be due to having a 7hr shift on 09.02.24 instead of an 8hr shift. AVAC PRN 15397775 . If a shift is shortened when RDO accruing the remaining shift not worked needs to be booked as leave without pay to stop the top up.

The same has happened for the next fortnight 19.02.24 due to 28.02.24 shift AVAC PRN 15605601 has this shift as 7hrs topping up 0.95 for missing hour.

Fortnight 18.03.24 is the opposite and has too many ordinary shifts for the fortnight resulting in wage reduction of 7.55hrs as one of the shifts needs to be overtime.
Fortnight 01.04.24 is the same, 0.95hrs over contracted 76hrs needs to be overtime. I think this should be planned OT on 01.04.24 as that is a 9hr shift.

Please submit an AVAC to correct these shifts for each fortnight so Cory is paid corrected and his RDO balance will then be amended.

Kind regards

Elaine
