

LIMITED SCOPE AUTHORISATION

FOR DISCLOSURE OF MEDICAL INFORMATION

RELATING TO CAPACITY FOR WORK

I, the undersigned (the **Patient / Employee**), hereby provide this limited authorisation for the disclosure of certain medical and psychiatric information as set out below.

1. PARTIES AND PURPOSE

This authorisation permits the limited disclosure of medical information concerning my capacity for work to and from my treating psychiatrist:

Dr Rai Ravi Ravikumar (or such other practitioner practising under that name)

for the sole purpose of informing clinical assessment, treatment planning, and advice regarding my fitness or capacity to perform work duties, workplace adjustments, or return-to-work planning, and for the preparation and provision of a written report by the psychiatrist answering questions that my employer may reasonably require for clarification of medical information in relation to my employment, insofar as such matters relate to my medical condition and psychiatric condition.

2. LIMITED SCOPE OF INFORMATION

This authorisation is strictly limited. Only information that is **reasonably necessary** and **directly relevant** to my capacity for work, fitness for duty, workplace restrictions, or the management of my medical and psychiatric conditions in the workplace context may be disclosed. This may include:

- Diagnosis, clinical findings, and current treatment relevant to work capacity;
- Functional limitations, restrictions, or recommended workplace adjustments;
- Prognosis and estimated timeframes relating to capacity for work;
- Medication or treatment side-effects that may affect workplace safety or performance;
- Recommendations concerning gradual return to work, modified duties, or ongoing monitoring;
- A written report prepared by Dr Rai Ravi Ravikumar answering questions raised by my employer that seek clarification of medical information relevant to my employment and capacity for work.

Information that is not relevant to capacity for work or workplace management is **not** authorised for disclosure under this document.

3. PSYCHIATRIST REPORT FOR EMPLOYER CLARIFICATION

I specifically authorise Dr Rai Ravi Ravikumar to prepare and provide a written report responding to questions from my employer (or its authorised representatives) that seek clarification of medical information relating to my employment. Such report must be limited to matters reasonably necessary for the employer to understand my capacity for work, any workplace adjustments required, and related employment considerations arising from my medical and psychiatric condition. The report may be provided directly to my employer or its authorised occupational health or human resources representatives.

4. DURATION AND REVOCATION

This authorisation remains valid for a period of twelve (12) months from the date of signature, unless earlier revoked by me in writing. I may revoke this authorisation at any time by providing written notice to the relevant treating practitioners and any workplace representatives holding a copy of this document. Revocation will not affect disclosures already lawfully made in reliance on this authorisation prior to receipt of the revocation notice.

5. CONFIDENTIALITY AND USE

Any information disclosed pursuant to this authorisation, including any written report prepared under clause 3, must be treated as confidential and used solely for the purposes stated above. It must not be further disclosed to third parties except as required by law or with my further written consent. Recipients are expected to handle the information in accordance with applicable privacy legislation and professional obligations.

6. ACKNOWLEDGEMENT

I acknowledge that:

- I have read and understood the terms of this limited authorisation;
- I understand that I am not obliged to provide this authorisation and that declining to do so may affect the ability of treating practitioners or workplace parties to coordinate appropriately regarding my capacity for work;
- This document does not constitute a general release of my entire medical or psychiatric records;
- Nothing in this authorisation waives any rights I may have under privacy, health records, or anti-discrimination legislation.

7. EXECUTION

Patient / Employee
