6. Pursuant to rule 64G(2), within 14 days of this Order, MSH file and serve an affidavit or affidavits of an officer or officers with direct knowledge of the searches and the relevant governance arrangements, which:

 - (b) identifies, as to Items 4, 5 and 7, the governance registers, policy repositories and training records searched, the results, and whether the searches identified any fatigue-management training requirement, assessment process or other requirement applying to Logan Hospital Switchboard staff before 30 June 2024;
 - (c) states, as to Item 20, if non-existence or non-possession is maintained, the precise basis for that position, having regard to Annexure C of the application;
