

THE LEAVE TYPE FOR THE FORTNIGHT 20 JULY – 2 AUGUST 2026

What was requested, what was undertaken, and what was applied · Cory Shepherd, employee number 388372 · AO3, Switchboard Services, Logan Hospital · 3 September 2026

1. THE SEQUENCE

Date	What was said or done
2 Jul, 2:38 pm	Ms Taylor: unless advised otherwise, shifts not worked will be processed as sick leave.
3 Jul, 2:49 pm	Ms Taylor: "As you have not confirmed leave type ... I will continue to process as Sick leave / Sick leave no pay".
3 Jul, 3:18 pm	Mr Shepherd, twenty-nine minutes later: "could you please process the balance as annual leave rather than sick leave without pay".
20 Jul	myHR records leave of the type " Income Protection – No Pay " requested on Mr Shepherd's behalf.
4 Aug, 1:35 pm	Ms Taylor, Stage 1 acknowledgement: the EB12 cl 1.11.2(a) 24-hour timeframe "will not be achieved"; " I am required to process leave on your behalf " for 20 July – 2 August; recreation leave balance 41.21 hours ; the PP04 cut-off is today; and absent a response, " I will apply your remaining recreation leave balance to ensure you receive the available paid leave entitlement for this period. "
5 Aug, 7:30 am	Mr Shepherd: "I do not consent to my recreation leave being applied, and I have asked that the period be coded as special leave on full pay instead."
12 Aug	Pay advice for the fortnight 20 July – 2 August 2026: " NP Sick Leave ", 76.00 hours, gross \$0.00.

2. THE POSITION AS IT STANDS, AND WHY IT IS NOT CORRECT

- (a) **Three leave types were in play, and the one applied is the only one nobody requested.** One was proposed by the employer — recreation leave. One was requested by the employee — annual leave on 3 July, and special leave on full pay on 5 August. A third was applied: sick leave without pay. It is the only one of the three that produces no payment.
- (b) **The employee did not decline to be paid.** The email of 5 August states two things: that recreation leave is not consented to, and that the period is to be coded as **special leave on full pay instead**. Special leave on full pay under Directive 12/24 is not debited from any leave account. What was declined was the funding of an employer-directed absence out of the employee's own accrued credits. What was requested was payment, from the leave type that exists for that circumstance. The application for special leave made on 28 July and 5 August has never been determined — neither granted nor refused.
- (c) **The employer's own policy required a written request for the leave type entered.** HR Policy C13, Payment of salaries and wages (QH-POL-188), section 6, permits a line manager to submit leave on an employee's behalf only where "the employee's request for leave is documented in writing" and any supporting documents "are sourced and retained". The written requests on the record are annual leave (3 July) and special leave on full pay (5 August). There is no written request for sick leave without pay. On 31 August Mr Shepherd confirmed in terms that he was not applying for personal leave.
- (d) **The coding is inconsistent with the employer's own medical record.** The Employee Capability Checklist of 3 July 2026, completed on Metro South Health's own form, certifies fitness with restrictions and records that usual switchboard operational duties remain suitable. Sick leave records an employee as unfit for work.
- (e) **On the employer's own stated default, the fortnight would have been paid in part.** 41.21 hours of recreation leave at \$44.46 per hour is **\$1,832.20 gross**. The pay advice for that fortnight records nil.
- (f) **The consequence is not confined to that fortnight.** Periods recorded as leave without pay are excluded from continuous service. The long service leave eligibility date of 4 September 2026, given by Payroll on 3 September 2026, falls 163 days after the date on which seven years' continuous service fell due on the service dates recorded in the agreement under which Mr Shepherd was reinstated. The coding has deferred the entitlement now relied on to refuse the leave.

3. WHAT IS ASKED

1. A copy of the written request, and the supporting documents, on which each "Sick Leave – No Pay" entry from 3 July 2026 was made, as required by section 6 of the policy.

2. That the coding be corrected from the first date it was applied, and before long service leave eligibility is recalculated in the audit.
3. That an attendance variation form be submitted for each affected fortnight with a leave type that pays, and that the ad hoc payment pending under enquiry 4471091 be processed against it.
4. An explanation of the recreation leave balance, which was recorded at 41.21 hours on 4 August 2026 and 51.31 hours on 2 September 2026 — an increase of approximately ten hours across two fortnights, at the ordinary full-time accrual rate, which is inconsistent with a period recorded as leave without pay.
5. Determination of the application for special leave on full pay made on 28 July and 5 August 2026, which has been neither granted nor refused.

Everything applied for remains on the basis set out at paragraph 4 of the application of 31 August 2026 — under protest and subject to re-credit. Mr Shepherd remains certified fit with restrictions and available to work.

4. THE DOCUMENTS

Tab	Date	What it is	Pages
1	2–3 July 2026	The leave type is raised and answered — sick leave by default; annual leave confirmed at 3:18 pm on 3 July	3–6
2	20 July 2026	myHR record — leave type "Income Protection – No Pay", requested on the employee's behalf	7
3	4 August 2026, 1:35 pm	Stage 1 acknowledgement — the 24-hour timeframe conceded; leave to be processed on the employee's behalf; recreation balance 41.21 hours; the undertaking to apply it	8–11
4	5 August 2026, 7:30 am	The reply — recreation leave not consented to; special leave on full pay requested instead	12–16
5	12 August 2026	Pay advice for the fortnight 20 July – 2 August 2026 — "NP Sick Leave" 76.00 hours, gross \$0.00	17

Hi Chloe,

Thanks for that. As the time off was due to my medical condition and my paid sick leave is exhausted, could you please process the balance as annual leave rather than sick leave without pay.

On returning the completed Employee Capability Checklist went to the Injury Management team today. It certifies me fit to resume from 3 July 2026. Could you please confirm I'm right to attend, or otherwise let me know my next returning shift.

Kind regards,

Cory

Hi Cory,

I just wanted to check in to see how you are doing and how things have been progressing for you. I know you had a scheduled appointment with your doctor yesterday as per text message sent on Monday 29th July.

Did your doctor give you any indication when the required documentation will be completed? Until we receive appropriate medical clearance, including a completed Employee Capacity Certificate (ECC), we are unable to facilitate your return to work, please wait for my advice to when your next returning shift will be. Unless you advise me otherwise, I will process your shifts that you have not worked as Sick Leave – Please confirm by Friday 3rd July before 2:00pm.

Kind regards,
Chloe

Hi Cory

I am writing in response to your Stage 1 Dispute dated 3 August 2026, in which you disagree with the decision that has prevented you from attending your rostered shifts since 3 July 2026. Your dispute has been lodged in accordance with clause 1.11.2(a) of the *Queensland Public Health Sector Certified Agreement (No. 12) 2025 (EB12)*.

I wish to acknowledge that clause 1.11.2(a) of EB12 requires that Stage 1 discussions should be conducted within 24 hours. This letter confirms that your dispute has been received and is currently under review. While every effort has been made to progress this matter promptly, the 24-hour timeframe specified in the clause will not be achieved. Upon completion of the review, you will be contacted as soon as practicable to discuss the outcome of your dispute and any appropriate next steps. You will also be provided with an opportunity to raise any questions and discuss the matter further as required.

Please be advised that I am required to process leave on your behalf for the period 20 July 2026 to 2 August 2026. As at today's date, you have a remaining recreation leave balance of **41.21 hours**. Could you please advise whether you would like this recreation leave balance applied to this period? If so, the remaining hours within the fortnight would be recorded as sick leave without pay. I

acknowledge that your dispute includes concerns regarding your leave entitlements. However, pending resolution of the dispute, it is necessary that your absence continues to be managed through the appropriate leave arrangements.

As the payroll cut-off for PP04 is today, I would appreciate your response as soon as possible. If I do not receive a response before payroll processing occurs, I will apply your remaining recreation leave balance to ensure you receive the available paid leave entitlement for this period.

Employee Assistance

I understand this may be a difficult time for you. Dear Chloe,

I attach a notice of dispute under clause 1.11.2(a) of the certified agreement. It is addressed to you as my immediate supervisor because the clause requires that.

I would prefer this resolved at Stage 1 and I am available to discuss it at any time, including today. I have asked that a support person and my union representative be present.

I have raised at part 5 a question about who should conduct the Stage 1 discussion. I make no allegation against anyone and will attend whichever way the Health Service prefers.

Kind regards,

Cory Shepherd

Dear Chloe,

Thank you for your response yesterday. My reply is attached. It answers the leave question, sets out my understanding of the position, and asks the questions needed so the correct arrangement can be applied. I have made it a separate document so there is no question about what it is or when it was received.

For payroll purposes, the short position is: I do not consent to my recreation leave being applied, and I have asked that the period be coded as special leave on full pay instead. The detail is in the attachment.

Kind regards,
Cory Shepherd
