SUBJECT: Request under clause 10.3.2 – change in the way I work – C Shepherd, MSH-INJ-5795

Dear Injury Management team,

I attach a request under clause 10.3.2 of the certified agreement for a change in the way I work. I have made it as a separate document so that there is no question about what it is or when it was received.

The request sets out the change I am asking for and my reasons for it, in the form clause 10.3.3 requires. I have asked that the decision be made by an officer outside Corporate Services, for the reasons at part 4.

I would much prefer this be resolved by discussion and I am available at any time.

Kind regards,

Cory Shepherd
