TO: The Chief Executive, Metro South Health (no Cc)

SUBJECT: Conflict of interest and information handling – C Shepherd, MSH-INJ-5795

Dear Chief Executive,

I attach a letter concerning the decisions being made about my attendance and my return to duty, and the handling of my personal information.

I have addressed it to you because section 89 of the Public Sector Act 2022 makes the chief executive the person to whom a conflict is disclosed, and the only person who may authorise an officer to continue to act in a matter affected by one. I do not raise it with you in order to escalate it.

I make no allegation against any individual and I ask for no finding to be made about anyone. The letter asks five questions and proposes the ordinary separation of functions. If the answers show the matter has been dealt with, that will resolve it and I will take it no further.

Kind regards,

Cory Shepherd
