1. WHAT THE AGREEMENT PROVIDES, AND WHAT THE RECORD SHOULD SHOW

#	Under the agreement	The record should show	What the record shows (2–3 Sep 2026)	Verification requested
1	Employment commenced 25 March 2019 (recited in the agreement)	Commencement 25.03.2019	Not stated by Payroll	Confirm the commencement date held
2	Reinstatement effective 20 September 2024, continuity of service preserved — effective “despite any documents the Health Service may require ... for payroll purposes”	Continuous service unbroken from 25.03.2019 through 20.09.2024	LSL eligibility given as 04.09.2026 (msg 40)	Confirm the continuous service date held and correct it if it differs

7	13 December 2024 – 23 February 2025 treated as leave without pay (72 days)	Whether excluded from continuous service, and on what basis	Unknown	State whether excluded, and the basis, given continuity was preserved
8	Seven years’ continuous service on the dates at 1–2 fell due 25 March 2026 (Award cl 22(c))	LSL eligibility 25.03.2026	Payroll: 04.09.2026 — 163 days later	Provide the calculation: every period excluded, with dates and leave type
9	— (2026 coding, not the agreement)	Leave from 3 July 2026 coded as confirmed in writing at 3:18 pm on 3 July: annual leave (msgs 3–4)	“Sick Leave – No Pay” entered daily on my behalf and approved (exhibit B); 61 days to 2 Sep	Correct the coding from 3 July before eligibility is recalculated; cease the daily entries

If the days since 3 July 2026 are among the periods excluded, the 163-day deferral has been produced by a leave coding I did not apply for and contradicted in writing on the day it was first applied, and it moves out by a day for every day the coding continues. On Payroll’s own date I am eligible from 4 September 2026 and have applied for long service leave from that date forward at 76 hours per fortnight, under protest and subject to re-credit.

Hi Cory,

I just wanted to check in to see how you are doing and how things have been progressing for you. I know you had a scheduled appointment with your doctor yesterday as per text message sent on Monday 29th July.

Did your doctor give you any indication when the required documentation will be completed? Until we receive appropriate medical clearance, including a completed Employee Capacity Certificate (ECC), we are unable to facilitate your return to work, please wait for my advice to when your next returning shift will be. Unless you advise me otherwise, I will process your shifts that you have not worked as Sick Leave – Please confirm by Friday 3rd July before 2:00pm.

Kind regards,
Chloe

Hi Chloe,

Thanks for that. As the time off was due to my medical condition and my paid sick leave is exhausted, could you please process the balance as annual leave rather than sick leave without pay.

On returning the completed Employee Capability Checklist went to the Injury Management team today. It certifies me fit to resume from 3 July 2026. Could you please confirm I'm right to attend, or otherwise let me know my next returning shift.

Kind regards,

Cc: Jacqui Roberts <Jacqui.Roberts@health.qld.gov.au>; emily.petering@together.org.au
Subject: Cory Shepherd (388372) — application for long service leave and annual leave, and request for AVAC to be processed today

Dear Chloe,

I am writing to apply for leave and to ask that the AVAC be processed today. I have copied Jacqui Roberts.

1. MY POSITION

I have not been working since 3 July 2026. I have received no wages since 13 July 2026.

On 3 July 2026 Dr Ma completed the Employee Capability Checklist on Metro South's own form. It certifies me fit with restrictions and records that usual switchboard operational duties remain suitable. I have remained ready and available to work within those restrictions throughout, and I remain so now.

My pay advice of 12 August 2026, for the fortnight 20 July to 2 August 2026, records me as on "NP Sick Leave" for 76 hours with gross pay of \$0.00. I did not apply for sick leave and I am not unfit for work.

2. WHAT I APPLY FOR

In the interim, and so that my entitlements can be processed, I apply as follows:

Long service leave, on full pay, from 13 July 2026 being the date from which I have received no wages through to the current date and continuing; and

when my long service leave entitlement is exhausted, annual leave, to commence immediately from that point and to continue until further notice.

To the extent that any absence over that period has already been recorded as unpaid sick leave, I ask that the coding be corrected and replaced with the leave applied for above.

I confirm I am not applying for personal leave, as I am not unfit for work.

3. THE AVAC

I ask that the AVAC be submitted and processed today, and that I be given the reference number once it has been done, together with confirmation of the pay run in which the payment will be made.

I ask this because of the financial position set out below, and because the cut-off for the next available pay run is imminent.

4. THIS APPLICATION IS MADE UNDER PROTEST, AND SUBJECT TO RE-CREDIT

This application is made under protest and without prejudice to my position, and on the following express basis:

I remain ready, willing and able to work within the restrictions recorded in the Employee Capability Checklist of 3 July 2026, and I have been since 3 July 2026;

I apply for this leave only because I have received no wages since 13 July 2026 and no payment has been made to me in the interim;

my concerns regarding pay, the leave debited since 3 July 2026, and the adjustments recorded in the Employee Capability Checklist of 3 July 2026 remain unresolved and in dispute, and nothing in this application resolves, waives or narrows any of them; and

I ask that the leave taken under this application be re-credited to me in the event that wages are paid, or found payable, for any part of the same period, or in the event that

the recording of my absence over that period is later corrected or determined otherwise. I make this application on the understanding that it does not prevent that outcome, and I reserve my position in full.

5. FINANCIAL HARDSHIP

I want to be plain about why I am asking for this to be done today rather than in the ordinary course.

I have had no income since 13 July 2026. As a consequence I have had to give up my accommodation. I am not raising this to make a point; I am raising it because it is the reason for the urgency, and because I would rather tell you than have it become apparent later.

If there is any mechanism available for an urgent or off-cycle payment in cases of financial hardship, I would be grateful if you could tell me and I will apply for it.

6. IF ANY PART OF THIS CANNOT BE ACTIONED

If any part of this application cannot be actioned today, could you please let me know today which part, and why, and when it will be actioned. A short note is entirely sufficient.

Thank you for your assistance.

Good afternoon Cory,

Thank you for your email. I have applied your S/L and A/L in lieu of S/L for your absence from the workplace through an AVAC as requested, for the past fortnight 17th August 2026 – 30th August 2026. As you are on reduced roster 0.5 FTE, I have applied the leave as per reduced shifts - PRN 249 863 66

About your long service leave from the 13th July 2026 - the system is currently not allowing me to apply LSL, so I have made enquiries with Payroll to understand why this may be and I will get back you as soon as I have an update.

Kind regards,
Chloe

long service leave and annual leave, and request for
AVAC to be processed today

Dear Chloe,

Thank you for actioning this today and for the
reference number — I appreciate the quick
turnaround.

Four short points so the record is accurate.

1. Leave type. To confirm my application: I did not
apply for sick leave — I am not unfit for work, and
the Employee Capability Checklist of 3 July 2026
certifies me fit with restrictions. My application
was for long service leave and, on its exhaustion,
annual leave. Could you please confirm exactly
which leave types and how many hours were
applied for 17–30 August 2026 under PRN 249 863
66. If any personal or sick leave has been debited,
could it please be re-credited and replaced in
accordance with my application.

2. Hours. Could the leave please be applied at my
substantive hours of 76 per fortnight rather than at
0.5 FTE. The reduced-hours arrangements this year
were temporary changes to working conditions: the
most recent, approved on 9 June 2026, had an
effective period of 25 May 2026 to 28 June 2026
and was not extended.

No variation has been in force since 28 June 2026,
and my pay advice of 12 August 2026 itself records

my absence at 76.00 hours for the fortnight. If a different arrangement has been recorded for any period after 28 June 2026, could you please let me know what it is and the document it is based on.

3. The period from 13 July. My application was from 13 July 2026, being the date from which I have received no wages. I understand the long service leave question is with Payroll — thank you for raising it promptly. Once it is resolved, could the leave please be applied back to 13 July 2026 as an

adjustment, and the "NP Sick Leave" recorded for the earlier fortnights corrected at the same time.

4. Long service leave — what may assist Payroll. My employment commenced on 25 March 2019, and my reinstatement in February 2025 took effect from 20 September 2024 with continuity of service preserved. I therefore reached seven years' continuous service on 25 March 2026 and am entitled to take long service leave under clause 22(c) of the Award. If the system is showing a later continuous service date, it may not have been corrected following my reinstatement — that would explain the error, and Payroll can verify it against my record. I have separately written to Payroll today about my service record and leave balances. Could you also confirm that the payment for 17–30 August will be processed urgently?

For completeness, everything actioned today, and any adjustments, remain on the basis set out at paragraph 4 of my email this morning — under protest and subject to re-credit.
Thanks again, Chloe.

Hi Cory,

Thanks for your email.

PRN 249 863 66 has been processed for the fortnight ending 30th August 2026 and will be paid in the normal

pay cycle on Wednesday 9th September 2026. I have applied S/L and A/L in lieu of S/L for this pay cycle.

Regarding your Long Service Leave from 13 July 2026, the system is currently not allowing me to apply the leave requested. I have made enquiries with Payroll and am currently awaiting their advice. I will provide an update once I receive further information.

Please see below your current leave balances as of 2nd

September 2026 – Please note that leave balances shown below are prior to AVAC being processed and may therefore change once pay cycle is complete.

If you are having trouble with access, you can call IT Support 1800 198 175 and reset your log in details.

Hi Chloe,

You aren't able to put in LSL leave as Cory's LSL eligibility date is only from 04/09/2026.
I can see a log has been created for a leave audit, a CSO is currently working on it however still in progress.

Hi Cory,

Please see the below email from Payroll.

I understand this may be frustrating, particularly in relation to your Long Service Leave. I have requested further information from Payroll regarding why your eligibility date is showing as 04/09/2026, as I appreciate you would like some clarity around this.

Unfortunately, Long Service Leave cannot be backdated & paid prior to the date you become eligible.

I have also confirmed with Payroll this morning on the phone regarding the ADHOC payment for the 17/08/2026–30/08/2026 pay cycle. Unfortunately, this cannot be processed prior to Wednesday 9th September 2026.

I appreciate this may not be the outcome you were hoping for, and I will continue to follow up where I can,

to ensure everything is clarified and processed as soon as possible.

Kind regards,
Chloe
