Dear Sir/Madam,

I refer to the above matter and the correspondent of the Appellant to the registry dated 1 October 2026.

The Regulator agrees with the Appellant's request for a second s552A conference to be set down in relation to this matter.

The Regulator believes that the additional points 2 to 7 outlined in the Appellant's requested directions dated 1 October 2026, would be better placed to be discussed at the conference in lieu of ordered in directions, in the first instance.

Unfortunately the Regulator's Counsel is currently on leave overseas and not contactable until 22 October 2026, when the Regulator could then confirm its availability for this conference.

The Regulator respectfully requests the Commission's consent for its undertaking to speak with the Appellant once it is in receipt of Counsel's availability and jointly agree on a range of dates available for this conference, before communicating with the registry.

The Regulator appreciates the Commissions consideration of this request.

Kind regards,

Renee Matheson
