2.1 The Respondent's Formal Admission of Non-Service **AR** (ADMISSIONS RESPONSE)

5. At paragraph 25 of the Respondent's *Response to Notice to Admit Facts* filed 18 February 2026 (**Exhibit AR**), the Respondent makes the following unqualified admission:

"The Respondent did not serve a Form 29 — Notice of Non-Party Disclosure on the Appellant prior to obtaining the records and says there was no requirement to do so pursuant to section 64D."

6. This admission establishes as an incontrovertible fact that:

- (a) The Respondent obtained my medical records from Our Medical Ashmore.
- (b) The Respondent did not serve me with a Form 29 notice prior to obtaining those records; and
- (c) The Respondent deliberately bypassed the mandatory service requirement under Rule 64C (2) and Rule 64D(1)(a).

8. This metadata establishes that the Respondent was in possession of my complete, unredacted medical file on 8 July 2025 — six days before the direct contact described below

2.3 The Missing Form 31 Certificate No Form 31 Certificate was filed.

2.4 Contents of Exhibit A5

9. **Exhibit A5** contains my complete medical history.

13. I refer to **Exhibit H1** — the email from Ms. Matheson dated 14 July 2025.

14. In that email, Ms. Matheson stated (emphasis added):

"I am writing to request an extension of time to file the Respondent's Statement of Facts and Contentions. We have received documents last week and require additional time to review and respond."

3.2 What Ms. Matheson Knew but Did Not Disclose

16. At the time Ms. Matheson sent the email on 14 July 2025, the following facts were true and known to her:

- (a) She filed a Form 29 Notice of Non-Party Disclosure on **4 July 2025** (10 days earlier).
- (b) She obtained and printed my complete, unredacted medical file on **8 July 2025** (6 days earlier) as shown by the footer of the header block on Exhibit A5.
- (c) She had deliberately failed to serve me with the Form 29 notice, in admitted breach of Rules 64C and 64D.
- (d) She had deliberately failed to file a Form 31 Certificate.
- (e) She was in possession of my entire medical history, including scandalous and irrelevant material dating back to October 2022; and
- (f) She had conducted ex parte coordination meetings with Ms. Tammy Reese and Ms. Chloe Taylor (the subjects of my PID complaint) on **3 July 2025** — as shown by the subpoenaed email chain at Exhibit E1.

17. None of these material facts were disclosed in the 14 July 2025 email.

4.1 The PID Determination

19. On or about **1 June 2024**, I lodged a complaint with the Ethical Standards Unit (ESU) of Queensland Health regarding the conduct of Ms. Tammy Reese (Director, Logan Hospital Switchboard Services) and Ms. Chloe Taylor (Line Manager).
20. On **24 December 2024**, the ESU determined that my complaint constituted a valid **Public Interest Disclosure (PID)** under the *Public Interest Disclosure Act 2010* (Qld).
21. I refer to **Exhibit E3** — the PID Determination, Reference 24-ESU-1130.
22. At **paragraph 20 of the Admissions Response (Exhibit AR)**, the Respondent provides an admission of this fact:

"The Respondent admits that the Ethical Standards Unit determined on 24 December 2024 that the Appellant's complaint constituted a Public Interest Disclosure, Reference 24-ESU-1130, naming Ms. Tammy Reese and Ms. Chloe Taylor as subjects."

4.2 The Ex Parte Coordination — Exhibit E1

23. On or about June 2025, I obtained through the Commission's non-party disclosure process an email chain between Ms. Matheson, Ms. Reese, Ms. Taylor, and Queensland Health HR management.
24. I refer to **Exhibit E1** — the email chain covering the period 30 June 2025 to 10 July 2025.
25. The email chain establishes the following sequence of events:

Date/Time	Event	Participants	Subject Matter
30 June 2025, 12:06 PM	Ms. Matheson emails scheduling "confidential" conferences	Matheson → Reese & Taylor	"Not to be discussed with other witnesses"

8 July 2025, 10:53 AM	Queensland Health institutional approval	David Hall → Matheson	ALL coordination materials forwarded
10 July 2025	Provision of coordinated documentation	Taylor → Matheson	All requested materials delivered

5. COMMUNICATIONS BOOK AND EMAIL ARCHIVES

3.2 Admitted Destruction: Communication Book

26. At paragraph 11(a) of the Admissions Response (Exhibit AR), the Respondent admits:

"Ms. Chloe Taylor physically removed pages from the Logan Hospital Switchboard Services Communication Book."

27. I refer to Exhibit E1 (page 10) email from Ms. Taylor to Ms. Reese dated 6 June 2023, in which Ms. Taylor states:

"I have taken this out of the communication book."

28. I refer to Exhibit I2 — the witness statement of Ms. Carolyn Jeffrey, which corroborates:

"Chloe rips the page out that Cory had put in."

29. The Communication Book was, at all material times, the designated departmental mechanism for staff to relay operational updates, reminders, and tasks to colleagues across different shifts.

3.3 Active Suppression: Email Archive Cancellation

30. Between 5–8 August 2025, I lodged IT Service Request QH-RITM16413751 with Queensland Health IT Services requesting restoration of email archives.

31. The email archives sought held contemporaneous evidence of:

- (a) Management's knowledge of the 17–18 March 2024 roster breach.
- (b) Payroll communications about the errors identified in Exhibit D1; and
- (c) Correspondence about the business hours discrepancy described in Exhibit E5.

32. The restoration request was cancelled by the department — not passive loss, but affirmative cancellation.

33. I was not provided with any explanation for the cancellation, nor was I offered any alternative mechanism to access the archived material.

6. ADMITTED FACTS: Differential treatment and payroll delays

Signed:
[Signature of the deponent]

for

Taken by:
[Signature of witness]

Justice of the Peace/Commissioner

6.1 The "Office Hours" Email Retraction

34. On 13 May 2024, I lodged a formal PID complaint regarding the conduct of Ms. Chloe Taylor and Ms. Tammy Reese (Exhibit E3).
35. At paragraph 20 of the Admissions Response (Exhibit AR), the Respondent admits that on 15 May 2024—48 hours after the PID complaint was lodged—Ms. Tammy Reese directed me to retract an email I had sent inquiring about office hours.
36. At paragraph 21 of the Admissions Response, the Respondent admits that on 9 May 2024, Ms. Chloe Taylor sent a substantively similar email regarding another staff member's hours, and that Ms. Taylor was not directed to issue a retraction.

6.2 The Payroll Delay and Ms. Taylor's Correspondence

37. I refer to Exhibit E2 (page 7), which records that on 3 May 2024, Payroll Officer Elaine Grant sent an email to Ms. Chloe Taylor explicitly instructing her to "submit an AVAC to correct these shifts" regarding my underpayment.
38. At paragraph 38 of the Admissions Response (Exhibit AR), the Respondent admits that on 21 May 2024 (18 days after receiving the payroll instruction), Ms. Taylor emailed me stating she was "waiting for payroll confirmation on a few issues" before she could submit the AVAC.
39. The Respondent further admits at paragraph 38 of the Admissions Response that Ms. Taylor did not actually submit the AVAC until 28 May 2024.

Re: Quatrix: WC/2024/227 - Cory Shepherd v WCR - Disclosure and Request for extension

From Cory Shepherd <coryshepherd1@hotmail.com>

Date Mon 14/07/2025 10:07 PM

To Appeals Quatrix 2 <appealsquatrix2@oir.qld.gov.au>

Cc Renee Matheson <renee.matheson@oir.qld.gov.au>; Paul Conrad <Paul@saineslegal.com.au>

Dear Renee,

Thank you for releasing that information and requesting an extension of time until Tuesday, 22 July 2025 to provide the Regulator's statement of facts and contentions. I acknowledge receipt of your correspondence and understand that recent documents received from Queensland Health have prompted this request.

Extension of Time Request

I will forward this information onto Sains Legal who are my current legal representatives. I understand that this extension will allow the Regulator to thoroughly review the Queensland Health documents and prepare a fulsome statement of facts and contentions so unless the legal team feel it unfair on my part then I do not contend.

Concerns Regarding Stress and Regulator's Position

However, I must express my serious concerns about the ongoing stress and impact this extended process has had on me and my circumstances. The prolonged nature of these proceedings has caused significant emotional and financial strain, affecting my wellbeing and daily life.

In your previous correspondence some months ago, you indicated that "the Regulator's role in the appeals process is to defend the decision made by the Review Unit – however the Regulator does not defend review decisions at all costs and depending on what new information, if any, is obtained during the course of the appeals process, we may decide to concede an appeal."

Given this stated position, I would like clarification on whether the Regulator still maintains this balanced approach to defending its position, or if there has been a shift toward defending the decision at all costs despite the stress and burden this places on individuals navigating the appeals process.

Request for Consideration

The principles of procedural fairness require that administrative decision-makers consider the impact of their actions on affected parties. The ongoing stress caused by this prolonged process raises questions about whether the Regulator is adequately balancing its role in defending decisions with its obligation to ensure fair and reasonable treatment of appellants.

I would appreciate your confirmation that:

The Regulator continues to maintain its stated position of not defending review decisions at all costs

The new Queensland Health documents will be given proper consideration in determining whether to maintain or concede the appeal

The statement of facts and the statement of facts submitted by Sains Legal has been given proper consideration in determining whether to maintain or concede the appeal

The Regulator recognizes the stress and burden this extended process has caused on all parties

Moving Forward

While I consent to the extension I believe it must be consulted with Sains Legal, I hope this additional time will be used constructively to reach a fair resolution that takes into account both the new evidence and the significant impact this process has had on my wellbeing.

I look forward to your response and to a resolution that reflects the Regulator's stated commitment to fairness and reasonableness in the appeals process.

Yours sincerely,

Cory
