Good afternoon Jacqui,

Thank you for your time this week. I have three brief matters to raise.

First, I wish to withdraw the Stage 2 grievance referral. My preference is to work through the outstanding issues directly with you. To be clear, I am withdrawing the referral only. My concerns regarding pay, the leave debited since 3 July 2026, and the adjustments contained in the Employee Capability Checklist dated 3 July 2026 remain unresolved and in dispute. Nevertheless, I am hopeful we can work through these matters constructively.

Second, could you please provide an update on the AVAC following your discussion with Ms Taylor on 24 August?

Third, I attended an appointment with my psychiatrist, Dr Ravikumar Bangalore Krishnaiah, on 27 August 2026. Dr Krishnaiah advised that, despite the authority I provided, Queensland Health has not yet responded to his request for information.

Finally, could someone please contact Dr Krishnaiah's practice so that preparation of the report is not delayed? I would also appreciate being advised of any information being shared with Dr Krishnaiah and the matters on which their opinion is being sought.

And if there are any other updates, I would be glad to have them.

Kind regards,
Cory Shepherd

Good morning,

I apologise for Friday and for the state I was in.

I can confirm I am available on Tuesday, 25 August 2026, between 3:00 pm and 5:00 pm.

For ease of reference, I attach:

- the QSuper letter
- the communication I believe prompted the ECC
- my movement details
- my agreement to the sharing of medical information and correspondence with my treating psychiatrist

In the circumstances, I ask to be advised, in advance, of what information is being shared with my treating psychiatrist, what questions are being asked of them, and what is proposed to be included in any correspondence with them.

In the interim, while Metro South Health seeks clarification regarding my medical information, I respectfully request that the appropriate leave be applied and that an AVAC be submitted on my

behalf to facilitate the processing of my entitlements.

Kind regards,
Cory

Dear Jacqui,

Thank you for your email and for including Emily Petering.

I confirm the meeting on Friday, 21 August, from 9:30 am to 11:30 am via Teams, with Emily attending. To ensure the time is used effectively, I expect to discuss the following matters:

- Restoration of my pay, including my request of 28 July 2026 regarding paid special leave.

- Recrediting of all leave debited since 3 July 2026.
- Implementation of the adjustments certified in the Employee Capability Checklist dated 3 July 2026, and my return to work.
- My requests of 3 August 2026, including the flexible working request under the Agreement, for which the decision period ends on 24 August 2026.
- The Stage 2 grievance referral.
-

If there are additional matters you intend to raise, I would appreciate receiving notice of them before Friday.

Medical position – correction

For accuracy, fitness to return to work with adjustments is not my personal view. It is the certification provided by Dr Ma in the Employee Capability Checklist dated 3 July 2026, completed on the Health Service’s own form and at the Health Service’s request.

In addition, a specialist psychiatric report responding to the Health Service’s request for medical information dated 31 July 2026 has been commissioned and will be provided once completed.

-

Leave

To maintain my income in the interim, I do not object to the Health Service processing my available sick leave and, if necessary, annual leave. However, I wish to be clear about the basis on which this occurs:

-
- Any leave processing is being undertaken by the Health Service to ensure continuity of payment and does not represent an election by me.

- My position remains as set out on 3 August 2026: this absence results from the Health Service's decision and should not be debited against my leave balances.
- This arrangement is interim only and subject to the specialist psychiatric report. Once that report is provided, I expect the certified adjustments to be implemented, my return to work to proceed, and my pay to be restored.
- All leave debited since 3 July 2026 should be recredited.
-

Please also review my payslip dated 12 August, which recorded 76 hours as sick leave without pay despite the balances identified in your email. If an AVAC is required to process the leave and correct the payslip, please arrange for this to be submitted promptly and advise if anything further is required from me.

-

QSuper

For accuracy, benefit payments ceased earlier this year following my request to the fund when I returned to work. I have not received any income protection payments since 31 May 2026 and am not currently in receipt of such payments.

The administration of the claim is a matter I am addressing directly with the fund's Claims Manager. Superannuation contributions continue to be reported through payroll in the ordinary course.

-

Thank you for arranging this meeting. I look forward to speaking with you on Friday.

Kind regards,
Cory Lea Shepherd

Subject: Follow up on Enquiries

Good Afternoon Cory

I hope this email finds you well, I wanted to reach out to you in relation to your emails and enquiries you have made over the past couple of weeks and would welcome time to catch up with you to discuss these further to assist in resolving the concerns you have raised.

My availability is a little limited at the moment as I am on leave for the next few days but I do have time on Friday 21 August 2026 and would like to book in a minimum of about 2 hours with you to really discuss and understand your matters further. The times I have available are

- 09:30 to 11:30, or
- 14:30 to 16:30

I propose we can do this via teams and also include Emily Petering too, you will see I have included her in my email.

If you could confirm which of these times would work for you **by close of business on Wednesday 19 August**, that would be really helpful.

Whilst I understand your belief you are fit to return to the workplace; the medical evidence provided to date does not support that. Therefore, this leave would ordinarily be processed as sick leave and if no sick leave balances are available, it will automatically be processed as sick leave no pay. However, to avoid not being paid, with your approval we can apply other leave entitlements, please see below your current balances. If you could confirm what leave you wish to be applied from these balances, and we can action accordingly. You do have sick leave balances, so they should automatically be applied, and this is something we can follow up on for you.

I am aware you have a current open Qsuper claim, and we may need to advise Qsuper of any income you are in receipt of in relation to that claim.
