Subject: Rebook — first available full consultation with Dr
Krishnaiah — Cory Shepherd — QLD HEALTH REQUEST

Good morning,

My sincere apologies to Dr Krishnaiah and the clinic for the missed appointment on 5 June — I was in high distress at the time, and I tend to shut down. I'm sorry for the inconvenience.

Could I please book a full consultation with Dr Krishnaiah, on or after Monday 10 August, to complete a report for my employer. I will bring the completed paperwork with me to the appointment.

The report is funded by my employer, Metro South Health. Their letter is attached: it confirms in writing that they "will meet [the] reasonable costs of preparing this report" and directs invoices to Michelle Harrison, Injury Management Consultant, at lbh_InjuryManagement@health.qld.gov.au, reference MSH-INJ-5795. The clinic can invoice Metro South Health directly, for direct payment at your convenience.

Thank you,
Cory Shepherd
