

ACCESS APPLICATION — INFORMATION PRIVACY ACT 2009 (QLD)

Lodgement-ready · Metro South HHS RTI and Privacy Unit · no fee (personal information)

Application for access — Information Privacy Act 2009 (Qld) Applicant: Cory Lea Shepherd, DOB 11 January 1991 (employee, Switchboard Services, Logan Hospital; MSH-INJ-5795). ID enclosed. I seek access to documents containing my personal information, limited to the following categories, for the period 1 June 2026 to the date of processing unless stated:

1. The approval record for the Request for Medical Information dated 31 July 2026 — including the delegate's name, the approval date, and any briefing or draft associated with the approval (the Health Service's email of 30 July 2026 confirms this record exists: "progressing ... for delegate approval"). 2. The decision records and any instrument relied upon for: (a) the advice of 2 July 2026 that I could not attend work; (b) the leave codings applied to me from 3 July 2026, including the "income protection no pay" coding of 13 July 2026. 3. Any conflict-of-interest assessment, declaration, register entry, or management plan concerning any officer in relation to decisions about my employment (period 1 May 2024 to date). 4. Records of the routing and handling of each complaint or workplace concern I raised (period 1 June 2023 to date): where each was directed, and its recorded outcome. 5. Ethical Standards Unit records concerning the handling of the substance of my disclosure (ref PID24-ESU-1130) — excluding material identifying other individuals. I am content to receive documents electronically, with redactions confined to other individuals' personal information. Please treat this as an application under the IP Act; to the extent any category is not my personal information, I ask that it be transferred to and processed as an RTI application (see companion application).
