SUBJECT: WC/2024/227 — Shepherd v Workers' Compensation Regulator — withdrawal
of the application filed 23 June 2026 and of the outstanding items of
the Form 29 Notice of Non-Party Disclosure

Dear Registrar

WC/2024/227 — Cory Lea Shepherd v Workers' Compensation Regulator

I refer to the mention before Industrial Commissioner Dwyer on Friday 7 August 2026.

1. The Appellant withdraws the application filed 23 June 2026 in respect of the Form 29 Notice of Non-Party Disclosure sealed on 22 April 2026 and served on Metro South Hospital and Health Service, and does not press the outstanding items of that Notice.
2. Accordingly, Metro South Hospital and Health Service is not required to take any further step in response to the Notice or to the application. Nothing in this letter concerns the documents Metro South has already produced, which remain with the parties.
3. Should further documents prove necessary for the fair conduct of the appeal, the Appellant will seek them from the Respondent, through its Appeals Officer, by way of the ordinary processes of disclosure between the parties.
4. The Appellant otherwise awaits any further directions or orders of the Commission.

Yours sincerely

Cory Lea Shepherd

Appellant (self-represented), WC/2024/227
