

Schedule of assumed facts

WC/2024/227 · Shepherd · accompanying the letter of instruction · [DATE]

This schedule identifies, by source and paragraph, the facts referred to in Part B of the letter of instruction. **The documents themselves accompany it, complete and unmarked.** Where a passage is quoted, the quotation is exact. **Section B records the matters the Workers' Compensation Regulator does *not* accept, so that the position is complete.**

A · ACCEPTED BY THE WORKERS' COMPENSATION REGULATOR — RESPONSE SIGNED BY MS RENEE MATHESON, SENIOR APPEALS OFFICER, 18 FEBRUARY 2026

Item numbers are those of the list to which that document responds; the cross-references have been checked against it. These are facts the Regulator accepts.

Item	Fact accepted
1	On 17–18 March 2024 the appellant was rostered to finish at 23:00 and commence his next shift at 06:00, a break of only 7 hours.
3	The employer's fatigue risk management policy and the relevant Award require a minimum break of 10 hours between shifts, or 8 hours by written agreement.
5	Ms Tammy Reese stated in an email of 7 August 2023 : <i>"I do realise in this instance there was a rostering error that was accidentally made by Chloe with regards to night shifts."</i>
8	Maintaining accurate contact details for medical staff is a critical function of the Switchboard to ensure effective clinical handover and patient safety. It adds that <i>"there was a procedure in place for this to occur."</i>
33	The clinical records contain a consultation record dated 16 November 2023 authored by Dr Priyal De Silva Nanayakkara. (<i>Accepted as being in the record; its accuracy is not accepted — see B.</i>)
38	The report of Dr Ravikumar Krishnaiah states that the appellant was suffering from Major Depressive Disorder, diagnosed 13 February 2025. (<i>Accepted as what the report says; its accuracy is not accepted.</i>)
40	On 3 May 2024 Payroll Officer Elaine Grant emailed the line manager instructing her to <i>"submit an AVAC to correct these shifts"</i> for the appellant.
41	The AVAC was submitted on 28 May 2024. It adds that on 21 May the line manager had said she was waiting on payroll confirmation.
46	On 21 May 2024 at 12:33pm the line manager emailed the appellant: <i>"I am waiting payroll confirmation... as soon as I do get that confirmation, I will submit an AVAC."</i>

A2 · FROM A FURTHER DOCUMENT OF THE WORKERS' COMPENSATION REGULATOR, 13 MAY 2026

These are its own positive statements in that document.

Item	What it records
14(e) 14(f)	On the special pandemic leave application (leave of 20–27 February 2024), which was declined for want of an attached statutory declaration: <i>"says that a review indicates that in fact, the attachments were present on the appellant's submission" · "says this was a matter of human error by Ms Taylor on the background of high work demands surrounding the management of staff with COVID-19".</i>
22(a)	On the rostering of 17–18 March 2024: <i>"says the shift was separated by only a 7-hour break (rather than an 8-hour break) says that this was a result of human error and not intentional or repeated".</i>
22(c)	<i>"says the appellant took leave on 19 March 2024", and says this was paid leave.</i>

B · NOT ACCEPTED — AND WHAT THE REGULATOR SAYS INSTEAD

Recorded so that no fact in section A is read as broader than it is.

Item	Its position
4	Not accepted that there was no written agreement: <i>"in June 2020, the Appellant signed an agreement allowing an 8 hour break between shifts." On that case the applicable minimum was 8 hours, and the break given was 7.</i>
34	Accepts the 16 November 2023 entry (<i>"No psychological illness such as depression/ psychosis"</i>) is in the record, but does not accept its accuracy.

Item	Its position
35	Not accepted. It asserts a past medical history of anxiety and ADHD from 26 October 2022.
47	Not accepted that the line manager had simply held the instruction: it says <i>"Ms Taylor needed confirmation from payroll and then she needed to be satisfied that the AVAC was accurate."</i> (The two emails at items 40 and 46 are accepted.)

C · FROM THE LETTER OF THE CHIEF EXECUTIVE, METRO SOUTH HEALTH, 5 JUNE 2026

Item numbers are those of the letter. Read from source.

Item	What the letter records
1–2	Pre-upgrade SPOK records were not retained. "However, a spreadsheet of recorded MET calls is available for the period 17-18 March 2024."
3(a)	<i>"All employee complaints relating to Logan Hospital Switchboard operational errors are made directly to the Line Manager of Switch Board and managed solely via email or verbally with the complainant."</i>
3(c)	<i>"there have been no 'consequential' changes to operating procedures over the period requested."</i>
4	The requested fatigue risk assessment records do not exist. <i>"Mandatory Fatigue Risk Management System training only applies to health practitioners and clinical assistants. The Logan Hospital Switchboard staff are non-clinical staff..."</i>
5	<i>"The implementation of fatigue risk management assessment at Switchboard Logan Hospital occurred after 30 June 2024 in connection with an organisational change related to the reporting lines for Switchboard."</i>
7	The requested fatigue risk management register entries do not exist.
15	Enclosed: leave takings report for the Applicant, 19 March 2024.
