K	STRESSOR 3 - THE ROSTER, AND THE EMPLOYER'S KNOWLEDGE OF FATIGUE BEFORE 18 JUNE 2024	
182	On 26 April 2024 at 1:52 pm Ms Reese sent an email to the Appellant with the subject "Roster Concerns", referring to a meeting on 16 April 2024 at which the Appellant raised a roster line ending with night shifts followed by three days off and then returning to night shifts.	
183	That email states that Ms Taylor "was working to fix this error and would get in touch with you about what alternative shifts she could offer".	
184	On 1 May 2024 at 1:18 pm the Appellant sent an email to Ms Reese with the subject "Re: Roster Concerns" referring to section 4, clause 10.4.1 of the Operations Manual and stating: "This section includes a toolkit required by management to manage fatigue and implement appropriate protocols and adhere to the workplace health and safety act."

No.	Fact to be Admitted (with Exhibit Reference)	Admit / Deny
188	On 10 May 2024 at 2:08 pm Ms Reese sent an email to Mr Mackenzie Pritchard of Human Resources forwarding the Appellant's email of 1 May 2024, which states: "I think he is trying to raise that he has concerns over how his manager is rostering for the Switchboard team and how it is impacting on staff fatigue, or more specifically his fatigue."	
189	That email states: "as per Cory's second extract detailing the Roster Risk assessment Matrix, Chloe and I have run through this and we say at best there would be a rating of 11 which is moderate".	
190	That email states: "I acknowledge there has been a few rostering errors made by Chloe with regards to Cory's line in past rosters".	
191	On 20 May 2024 at 4:07 pm Ms Reese sent an email to LBH_HR which states: "I am just following up on this query I raised a little while ago in relation to a email I had received from a staff member about our rostering practices. Thus if someone might be able to give me a call regarding these staff concerns, that would be great."	
192	That email of Ms Reese to LBH_HR attached the document "qh-gdl-401-3.3", being the Queensland Health Fatigue Risk Management Systems Implementation Guideline.	
193	Each of the facts at paragraphs 122, 182, 183, 190, 196, 252 and 255 of this notice records a rostering error, or a roster concern raised by the Appellant and acknowledged by the Respondent or by Ms Reese, in the period 7 August 2023 to 20 May 2024.	
L	STRESSOR 3 - THE BREAK OF 17-18 MARCH 2024, THE 2020 AGREEMENT, AND THE LEAVE OF 19 MARCH 2024	
194	By email dated 7 July 2026 Ms Lyndelle Forrest, Senior Consultant, Human Resources, Logan and Beaudesert Health Service, wrote to the Appellant stating that the roster "provides more than 10-hour breaks between shifts".	
195	That email states: "acknowledge you also signed an 8 hour agreement on 17 June 2020, which allows you to work with only an 8 hour break, however this is only applied where staff initiated shift swaps have occurred."	
196	The Respondent's amended statement of facts and contentions states at paragraph 22(a): "says the shift was separated by only a 7-hour break (rather than an 8-hour break) says that this was a result of human error and not intentional or repeated".	
197	That amended statement of facts and contentions states at paragraph 22(e): "says in June 2020, the Appellant signed an agreement allowing an 8-hour break between shifts".	
198	That amended statement of facts and contentions states at paragraph 22(b): "says that the appellant could refuse shifts at anytime".	
199	The Respondent does not allege that the consecutive shifts of 17 and 18 March 2024 arose from a staff initiated shift swap.	
200	The Leave Takings Report produced by Metro South Hospital and Health Service in respect of 19 March 2024 records the Leave Category as "Sick", the Leave Type as "Sick Leave", the Time Code as "SCK", the Leave Taken as 7.60 hours, and the Leave Status as "APPROVED".	
201	The Respondent's amended statement of facts and contentions dated 13 May 2026 states at paragraph 24(a): "says that the appellant took leave on 19 March 2024 but says this was paid leave".	
202	That amended statement of facts and contentions states at paragraph 24(b): "says that pursuant to clause 18.10 of the Award, the appellant is not entitled to fatigue leave, because he was not performing overtime".	

No.	Fact to be Admitted (with Exhibit Reference)	Admit / Deny
203	That amended statement of facts and contentions states at paragraph 27: "The respondent contends that any management action involved in the causation of any injury to the Plaintiff was reasonable management action taken in a reasonable way pursuant to s 32(5) WCRA."	
204	Applying paragraph 24(b) of the Respondent's amended statement of facts and contentions to the shifts of 17 and 18 March 2024 identified in Review Decision 69983, no fatigue leave was available to the Appellant under clause 18.10 of the Award in respect of those shifts.	
205	Review Decision 69983 records that the policy regarding fatigue leave following weekends and rostered days off is dated June 2020.	
206	That decision records: "The policy notes that many problems can be overcome regarding fatigue leave by either not rostering the employee who is on call for the first shift of the following day and not rostering on call an officer who is rostered for the first shift on the following day."	
207	That decision records that section 23 of the Hospital and Health Service General Employees (Queensland Health) Award provides that "where an employee is in receipt of the additional week's leave as prescribed in clause 19.2(a) and is rostered off on Easter Saturday, Easter Sunday, Show Day or Labour Day, such employee shall be paid an additional day's wage or be granted a day's holiday in lieu at a time to be mutually arranged, but this is not applicable where an employee is not ordinarily required to work on a Saturday or Sunday".	
M	STRESSOR 3 - THE FATIGUE LEAVE REQUEST OF 8 APRIL 2024, THE DELAY, AND THE REFUSAL OF 1 MAY 2024	
208	Review Decision 69983 records: "You emailed Ms Taylor on 8 April 2024 and requested a review of your payment for the pay period between 8 March 2024 and 31 March 2024."	
209	That decision records that in that email the Appellant "noted the Hospital and Health Service General Employees (Queensland Health) Award stipulated in part 5 section 15 that unless there was a mutual agreement of regular rosters, employees were entitled to a minimum 10-hour break".	
210	That decision records that Ms Taylor replied on 9 April 2024 and "added she also escalated your enquiry regarding fatigue leave to Human Resources to confirm policies around this".	
211	That decision records that in the same reply Ms Taylor "proceeded to acknowledge the importance of communication and requested that you raise your concerns with her as soon as they arise so she could action them sooner for you".	
212	That decision records that on 24 April 2024 the Appellant emailed Ms Taylor and "expressed your dissatisfaction with the process and that it had been more than 2 weeks without any response or overtime payment".	
213	That decision records: "Ms Taylor responded to your email on 1 May 2024 via email and stated that after a consultation with payroll and Human Resources, your request for fatigue payment for 18 March 2024 would not be processed due to the existing 8-hour agreement signed by you on 17 June 2020."	
214	That decision records, of the same email of 1 May 2024: "However, she noted you are able to terminate this agreement going forward."	
215	The period between the Appellant's email of 8 April 2024 and Ms Taylor's response of 1 May 2024 is 23 days.	
216	The period between Ms Taylor's escalation of the fatigue leave enquiry to Human Resources on 9 April 2024 and her response of 1 May 2024 is 22 days.	
217	The Respondent does not allege that any response was made to the Appellant's enquiry regarding fatigue leave at any time between 9 April 2024 and 1 May 2024.	

No.	Fact to be Admitted (with Exhibit Reference)	Admit / Deny
218	Review Decision 69983 records the Appellant's response of 9 August 2024 as stating that the break between the shifts of 17 and 18 March 2024 "did not include travel time", and: "If you factored in travel time, your break between shifts would have been less than 5 hours."	
219	That decision separately records the Appellant's submission that "in considering travel time, it left you with less than 5 hours of break time".	
220	That decision records the employer's response of 6 September 2024 as confirming "you did not formally rescind the 8-hour agreement signed by you on 17 June 2020 and the change to your employment contract and adjustments in your working hours did not automatically invalidate the agreement".	
221	That decision records: "The employer did not mention your shift on 18 March 2024."	
222	That decision states: "In considering the evidence, I find there was uncertainty between you and the employer regarding whether the 8-hour agreement continued to apply."	
223	That decision records that payroll was, as at 1 May 2024, "still reviewing your entitlements regarding public holidays not required arising while you were a part-time employee".	
224	That decision records Ms Taylor as confirming "that since your commencement of full-time employment, all payments for public holidays not required had been processed".	
N	THE EMPLOYER'S OWN STATEMENTS ABOUT ITS SYSTEMS AND RECORDS	
225	By letter dated 5 June 2026, reference K-LM26/729, signed by Ms Noelle Cridland as Chief Executive of Metro South Hospital and Health Service and addressed to Commissioner Dwyer, Metro South Health stated in relation to Item 4: "the requested documents do not exist. Mandatory Fatigue Risk Management System training only applies to health practitioners and clinical assistants. The Logan Hospital Switchboard staff are non-clinical staff, and therefore there is no mandatory requirement for them to complete Fatigue Risk Management System training."	
226	That letter states in relation to Item 5: "The implementation of fatigue risk management assessment at Switchboard Logan Hospital occurred after 30 June 2024 in connection with an organisational change related to the reporting lines for Switchboard."	
227	That letter states in relation to Item 7: "the requested documents do not exist. Mandatory Fatigue Risk Management System training only applies to health practitioners and clinical assistants."	
228	That letter states in relation to Item 3(c): "there have been no 'consequential' changes to operating procedures over the period requested."	
229	That letter states in relation to Item 3(a): "All employee complaints relating to Logan Hospital Switchboard operational errors are made directly to the Line Manager of Switch Board and managed solely via email or verbally with the complainant."	
230	That letter states in relation to Items 1 and 2: "a spreadsheet of recorded MET calls is available for the period 17-18 March 2024."

P	STRESSOR 3(d) - THE RESPONDENT'S OWN REVIEW DECISION OF 24 OCTOBER 2024	
236	Review Decision 69983 dated 24 October 2024 records that in its response the employer included an extract of the Hospital and Health Services General Employees (Queensland Health) Award which "stated that employees must be provided with a break of not less than 10 hours between the termination of one shift and the commencement of another shift, and 8 hours applied instead of 10 only in specific circumstances".	
237	That decision states: "The break between the shift on 17 March 2024 and 18 March 2024 equated to 7 hours."	
238	That decision states: "Even if you were allowed to leave early on 17 March 2024 as suggested by the employer, you left a maximum of 30 minutes early, which meant you still did not receive a minimum 8-hour break."	
239	That decision states: "Based on this, I find the rostering of these two shifts amounted to unreasonable management action given that it was in direct contradiction to the award and the 8-hour agreement."	
240	That decision states, under the heading "Conclusion": "you sustained a personal injury of a psychological nature".	
241	That decision states, under the heading "Conclusion": "your injury arose out of employment, to the extent that it arose out of factors 2, 3 and 4, where employment was a significant contributing factor".

253	In that response the Respondent admitted paragraph 3 of that notice, being: "The Employer's 'Fatigue Risk Management Policy' and the relevant Award require a minimum break of 10 hours between shifts, or 8 hours by written agreement."	
254	In that response the Respondent denied paragraph 4 of that notice, on the stated ground: "because in June 2020, the Appellant signed an agreement allowing an 8 hour break between shifts".	
255	In that response the Respondent admitted paragraph 5 of that notice, being that Ms Reese stated in an email dated 7 August 2023: "I do realise in this instance there was a rostering error that was accidentally made by Chloe with regards to night shifts".

258	In admitting that paragraph the Respondent added: "and says that there was a procedure in place for this to occur".	
259	In that response the Respondent denied paragraph 9 of that notice on the stated ground: "because there was already a procedure in place".

263	In that response the Respondent admitted "the contents of the Respondent's review unit decision", and said that this fact is not relevant because the appeal is a hearing de novo.	
264	In that response the Respondent admitted paragraph 40 of that notice, being the instruction of Ms E Grant of Payroll of 3 May 2024.	
265	In that response the Respondent admitted "the fact that Ms Taylor submitted the AVAC on 28 May 2024".	

No.	Fact to be Admitted (with Exhibit Reference)	Admit / Deny
