Follow up

Dear Chloe,

I am asking for an ad hoc payment to be processed today.

The leave has already been applied and the AVAC processed under PRN 249 863 66, so the entitlement exists, I am asking only that it be paid now rather than held to the next pay run.

I have received no wages since 13 July 2026. That is fifty-one days and three pay runs, and I have already had to give up my accommodation.

I should also mention that I am currently unable to log into MyHR. I cannot submit a leave application, check my balances, or see what has been applied to my record, so I am dependent on you and on Payroll for both the payment and for confirmation of what has been processed. If my access can be restored, I would be grateful and, in the meantime, could the information simply be provided to me by email.

If you cannot raise an ad hoc payment yourself, could you please tell me today who can, and I will

make the request to them directly.

Kind regards,

Cory Shepherd

Subject: Re: Cory Shepherd (388372) — application for long service leave and annual leave, and request for AVAC to be processed today

Dear Chloe,

Thank you for actioning this today and for the reference number — I appreciate the quick turnaround.

Four short points so the record is accurate.

1. Leave type. To confirm my application: I did not apply for sick leave — I am not unfit for work, and the Employee Capability Checklist of 3 July 2026 certifies me fit with restrictions. My application was for long service leave and, on its exhaustion, annual leave. Could you please confirm exactly which leave types and how many hours were applied for 17–30 August 2026 under PRN 249 863 66. If any personal or sick leave has been debited, could it please be re-credited and replaced in accordance with my application.

2. Hours. Could the leave please be applied at my substantive hours of 76 per fortnight rather than at

0.5 FTE. The reduced-hours arrangements this year were temporary changes to working conditions: the most recent, approved on 9 June 2026, had an effective period of 25 May 2026 to 28 June 2026 and was not extended.

No variation has been in force since 28 June 2026, and my pay advice of 12 August 2026 itself records my absence at 76.00 hours for the fortnight. If a different arrangement has been recorded for any period after 28 June 2026, could you please let me know what it is and the document it is based on.

3. The period from 13 July. My application was from 13 July 2026, being the date from which I have received no wages. I understand the long service leave question is with Payroll — thank you for raising it promptly. Once it is resolved, could the leave please be applied back to 13 July 2026 as an adjustment, and the "NP Sick Leave" recorded for the earlier fortnights corrected at the same time.

4. Long service leave — what may assist Payroll. My employment commenced on 25 March 2019, and my reinstatement in February 2025 took effect from 20 September 2024 with continuity of service preserved. I therefore reached seven years' continuous service on 25 March 2026 and am entitled to take long service leave under clause 22(c) of the Award. If the system is showing a later continuous service date, it may not have been corrected following my reinstatement — that would explain the error, and Payroll can verify it against my record. I have separately written to Payroll today about my service record and leave balances. Could you also confirm that the payment for 17–30 August will be processed urgently?

For completeness, everything actioned today, and any adjustments, remain on the basis set out at paragraph 4 of my email this morning — under protest and subject to re-credit.

Thanks again, Chloe.

Cory Shepherd

AVAC to be processed today

Good afternoon Cory,

Thank you for your email. I have applied your S/L and
A/L in lieu of S/L for your absence from the workplace
through an AVAC as requested, for the past fortnight
17th August 2026 – 30th August 2026. As you are on
reduced roster 0.5 FTE, I have applied the leave as per
reduced shifts - PRN 249 863 66

About your long service leave from the 13th July 2026 -
the system is currently not allowing me to apply LSL, so
I have made enquiries with Payroll to understand why
this may be and I will get back you as soon as I have an
update.

Kind regards,
Chloe

Dear Chloe,

I am writing to apply for leave and to ask that the AVAC be processed today. I have copied Jacqui Roberts.

1. MY POSITION

I have not been working since 3 July 2026. I have received no wages since 13 July 2026.

On 3 July 2026 Dr Ma completed the Employee Capability Checklist on Metro South's own form. It certifies me fit with restrictions and records that usual switchboard operational duties remain suitable. I have remained ready and available to work within those restrictions throughout, and I remain so now.

My pay advice of 12 August 2026, for the fortnight 20 July to 2 August 2026, records me as on "NP Sick Leave" for 76 hours with gross pay of \$0.00. I did not apply for sick leave and I am not unfit for work.

2. WHAT I APPLY FOR

In the interim, and so that my entitlements can be processed, I apply as follows:

- Long service leave, on full pay, from 13 July 2026 being the date from which I have received no wages through to the current date and continuing; and
- when my long service leave entitlement is exhausted, annual leave, to commence immediately from that point and to continue until further notice.

To the extent that any absence over that period has already been recorded as unpaid sick leave, I ask that the coding be corrected and replaced with the leave applied for above.

I confirm I am not applying for personal leave, as I am not unfit for work.

3. THE AVAC

I ask that the AVAC be submitted and processed today, and that I be given the reference number once it has been done, together with confirmation of the pay run in which the payment will be made.

I ask this because of the financial position set out below, and because the cut-off for the next available pay run is imminent.

4. THIS APPLICATION IS MADE UNDER PROTEST, AND SUBJECT TO RE-CREDIT

This application is made under protest and without prejudice to my position, and on the following express basis:

- I remain ready, willing and able to work within the restrictions recorded in the Employee Capability Checklist of 3 July 2026, and I have been since 3 July 2026;

- I apply for this leave only because I have received no wages since 13 July 2026 and no payment has been made to me in the interim;
- my concerns regarding pay, the leave debited since 3 July 2026, and the adjustments recorded in the Employee Capability Checklist of 3 July 2026 remain unresolved and in dispute, and nothing in this application resolves, waives or narrows any of them; and
- I ask that the leave taken under this application be re-credited to me in the event that wages are paid, or found payable, for any part of the same period, or in the event that the recording of my absence over that period is later corrected or determined otherwise.

I make this application on the understanding that it does not prevent that outcome, and I reserve my position in full.

5. FINANCIAL HARDSHIP

I want to be plain about why I am asking for this to be done today rather than in the ordinary course.

I have had no income since 13 July 2026. As a consequence I have had to give up my accommodation. I am not raising this to make a point; I am raising it because it is the reason for the urgency, and because I would rather tell you than have it become apparent later.

If there is any mechanism available for an urgent or off-cycle payment in cases of financial hardship, I would be grateful if you could tell me and I will apply for it.

6. IF ANY PART OF THIS CANNOT BE ACTIONED

If any part of this application cannot be actioned today, could you please let me know today which

part, and why, and when it will be actioned. A short note is entirely sufficient.

Thank you for your assistance.

Kind regards,
Cory Shepherd
