Roster implementation

Dear Recipient,

After careful consideration and review of the most up to date information on fatigue management, employee work-life balance, and the risks associated with consecutive night shifts, I am writing to inform you of modifications to the current roster and to implement a roster collectively. The roster includes 8-hour and 12-hour shift schedule. As a full-time employee the roster for agreement will require the employee to work on a monthly rotation through lines 1-7. The employee on line .8 will continue to work and rotate on their own line, while employees on lines .7 and .5 will also rotate between each line from top to bottom.

The roster has been redesigned based on statistical values, taking into consideration penalty rates, night shifts, and the need to effectively manage fatigue by reducing the number of consecutive night shifts, therefore minimizing the risk of incidents. Penalty shifts and night shifts have been allocated in a fair and reasonable manner, ensuring the equitable distribution of benefits such as penalty rates.

This agreement outlines the terms and conditions that we, as employees, accept and agree to work the rotational roster and schedule as presented.

The attached roster includes 12-hour shifts only on Saturdays and Sundays, which are known to have a less demanding workload.

1. Shift Schedule: The employee agrees to work 12-hour shifts on Saturdays from 06:00 to 18:00 and 18:00 to 06:00 on Sundays, from 06:00 to 18:00 and 18:00 to 06:00.

2. Rate of Pay Saturday and Sunday:

- Saturday: The employee agrees to be rostered 12 hours on Saturdays and receive the entire 12 hours at the agreed Saturday shift loading, 50% of the hourly rate.

- Sunday: The employee agrees to receive 12 hours of 100% loading on top of their hourly rate.

3. Meal Allowance: The employee agrees not to receive the overtime meal allowance for the rostered 12-hour shifts Saturday and Sunday only.

4. Continuation of Current Awards: All other awards and provisions outlined in the eb11 agreement, and the union will remain in place and unaffected by this arrangement.

By signing below, you acknowledge that you have reviewed the attached roster schedule and fully agree to adhere to the working schedule until a new, fair, and effective roster is established to manage workload and address fatigue concerns in the workplace.

You the employee confirm that you have understood the terms and conditions outlined in this agreement and are in favour of the immediate implementation of the attached roster.
